Situated between Robben Island and Table Mountain in the heart of Cape Town's working harbour, the ancient Victoria & Alfred Waterfront is South Africa's most visited tourist destination that also serves as an ideal departure point for tours in and around Cape Town

Here Cape Dutch architecture and 21st century skyscrapers jostle for space with 450+ retail outlets that sell everything from high-street international fashion to indigenous local jewelry. And if shopping works up an appetite, over 80 eateries present culinary delights from rustic al fresco fish and chips to starched table-cloth fine dining in settings ranging from the water's edge to feeling the sand under your feet. Add 22 heritage landmarks, indoor entertainment venues, live performances, and countless air, land and water activities; and we dare you to ever get bored at the nerve center of Cape Town.

# STOP 2: GEORGE

5 Nights | 3 Rounds of Golf

Nestled below the Outeniqua Mountains, at the heart of South Africa's coastal paradise, Garden Route and halfway between Cape Town and Port Elizabeth, sits the sixth oldest town of South Africa. This pretty village is George which was originally a woodcutters post for the Dutch East India Company, and was later renamed after King George III during the British occupation of the Cape.

Of historical interests in George is the Slave Tree - an ancient oak to which slaves were chained before they were auctioned to the highest bidder. A length of chain and padlock are still embedded in its trunk. George also has the largest collection of steam trains at the Railway Museum, while the Church of St Peter and St Paul is the oldest Roman Catholic Church in South Africa. George is the perfect base to explore several nearby attractions like game safari, wine estates, village markets and golf apart from a host of outdoor activities like paragliding, hang-gliding, hiking, canoeing and sailing. Interestingly, George is the only district in the country that grows hops and supplies most of the country's beer-brewing needs.

## DAY 4: GEORGE

 Fancourt Hotel

Check out from Cape Town and drive to the Garden Route region and check into the **FANCOURT HOTEL**.

Ideally located in the heart of the Garden Route, and close to the charming town of George, the Fancourt Hotel sits on 613 hectares of lush countryside with the majestic Outeniqua Mountains in the backdrop. As South Africa's premier golf resort, it has three outstanding 18-hole courses- Links, Montagu and Outeniqua- each offering a very special and unique experience. ## DAY 5: GEORGE

Golf at **OUTENIQUA**, a dramatic Gary Player parkland with water hazards in as many as 11 holes. A majestic 18-hole parkland layout at Fancourt, designed by the legendary Grand Slam golfer Gary Player, the Outeniqua is quite similar to the Montagu and offers challenging design and fine conditioning to ensure an excellent test for all levels of golfers. With play being restricted to hotel residents, members and their guests, the course rarely seems crowded and you can enjoy a peaceful and comfortable round of golf at your pace. Although set in the same surroundings as its better known counterparts, the Outeniqua has developed an individual personality rivalling the others.

## DAY 6: GEORGE

Fancourt Hotel

Fancourt Montagu

Play at **FANCOURT MONTAGU**, Garden Route.

Golf at MONTAGU, a Gary Player parkland with a Performance Lab managed by PGA professionals. Voted the number one golf course in South Africa in 2000, the Montagu course at Fancourt has since undergone many more improvements and is today in league with the most modern courses of the world. With golfing access limited to members and their guests, the much-celebrated Parkland course provides ample time and space to relish a quite beautifully manicured experience, in majestic surroundings like no other. The new and improved Montagu course makes for a remarkable round of golf. The holes have been lengthened and new green complexes have been introduced.

## DAY 7: GEORGE

Fancourt Hotel

Free day at Garden Route

## DAY 8: GEORGE

Fancourt Hotel

Fancourt Links

Play at **FANCOURT LINKS**, Garden Route.

Golf at **FANCOURT LINKS**, inspired by Scottish fairways and considered by Gary Player as his best. Fancourt is South Africa's premier golf resort, featuring three highly rated Championship golf courses. Of these, an inland-links style challenge to test the best in the world is how the Fancourt Links was visualised at its conception. Designed by the legendary Gary Player and considered to be his masterpiece, the Fancourt Links recreates the links courses of Scotland and Ireland in a typically South African setting with the majestic Outeniqua mountains serving as a dramatic backdrop.
