Golf Courses: 5 Rounds of Spectacular Vistas and Memorable Holes

🚩 CLOVELLY

📍 Fish Hoek, Cape Town

👤 Par 72 | Hole 18 | 5893 m

Nestled in the tranquil Silvermine Valley between Fish Hoek and Kalk Bay, the Clovelly Country Club rewards accuracy off the tee and provides players with scenic views of the False Bay coastline. Known for its year round conditioning, the relatively short course possesses a unique character by virtue of its proximity to the sea. The dune lined fairways lead to excellent bent grass and poa annua greens; while the many trees create shelter from the strong summer sea breeze.

The rolling computer-irrigated fairways complement visually pleasing water features, which impact the 1st, 10th, 15th and 17th holes. The signature hole is the 4th, a par-4 with out-of-bounds and a stream on the left, and a green guarded by a water hazard. The clubhouse presents a high vantage point not only of the 18th hole, but also the 1st and 10th which both feature sharp doglegs, to the right and left respectively.

🚩 ROYAL CAPE

📍 Wynberg, Cape Town

👤 Par 72 | Hole 18 | 5797 m

Royal Cape Golf Club is a true championship course having hosted the South African Open and the SA Amateur Championships multiple times. The course has undergone extensive work to match the USGA standards and is now a fine test of golf and worthy of its championship rating. South Africa's oldest golf club emanates a rich history and tradition. Improvements to the single-storey clubhouse have enhanced that sense of tradition, which is innovatively combined with the requirements of today's golfer. There is also the added attraction of a good practice range near the clubhouse, and three practice nets. With lovely views of Table Mountain from most holes this championship course offers a beautiful setting that will make your visit here truly memorable.

The course is a very flat parkland course in essence, well maintained and a sure delight to play on with stunning mountain views. The narrow fairways demand extreme accuracy off the tee, wayward shots can be heavily penalized amongst the trees and the greens are well bunkered. There is also plenty of water on the course, especially at the corner of the 3rd, 4th, 5th and also the 14th, 15th and 16th. The most difficult holes are the par-4 3rd and the par-4 14th. The second nine offers quite a challenge for the average golfer: two challenging par 3s and a very magnificent par 4! The locals do not call it their own 'Amen' corner for nothing!

🚩 PINNACLE POINT

📍 Mossel Bay, Garden Route

👤 Par 72 | Hole 18 | 6465 m

The Pinnacle Point Golf Course, co-designed by renowned golf architect Peter Matkovich and professional golfer Darren Clarke, stretches along four kilometres of spectacular coastline and boasts dramatic cliff-side holes as well as a virgin beachfront. Awe inspiring views are a given with the stunning ocean visible from every hole.

The emerald green fairways and tees offer a perfect surface for making shots and the bent grass greens will ensure a challenging and entertaining game. The seven holes perched precariously along the cliff edge not only intimidate but also seduce the golfer with both their challenges and their beauty, and are justifiably some of the world's most photographed holes.

🚩 OUBAAI

📍 George, Garden Route

👤 Par 74 | Hole 18 | 6066 m

Oubaai is golfing heaven: idyllic yet challenging and wrapped up in the most breath-taking scenery on offer along the Garden Route. Perched on the edge of the hill cliffs leading down toward the Indian Ocean and with the Outeniqua Mountain Range as a majestic backdrop, the club enjoys the best of both worlds. The fairways undulate over the hilly terrain and the grounds are in immaculate condition.

The first Ernie Els signature course in South Africa boasts a traditional links layout with veld grasses lining the lush, well bunkered, fairways and a panoramic 180-degree ocean view. The course is surprisingly long for a coastal course, and, with five par 3s and five par 5s, it makes for an exciting game, requiring your undivided focus despite the plethora of visual pleasures all around. Watch out for the sea breezes that are a regular around this high cliffside location. The course is unique in that it is challenging yet friendly and can be played and enjoyed by golfers of all abilities.

🚩 MOSSEL BAY

📍 Mossel Bay, Garden Route

👤 Par 72 | Hole 18 | 5940 m

One of the must play courses on the Garden Route, Mossel Bay is famous for stunning views of the Indian Ocean from every tee as well as the marvellous bird and animal life such as the springbok that sometimes roam into play, leaving you spellbound. Designed originally by Bob Grimsdell, the course layout was redesigned by Danie Obermeyer in 1999/2000 and entered the new millennium complimented by rave reviews.

The large undulating greens ensure an idyllic yet challenging round of golf, being built over a gentle landscape that provides ease of walking. The signature hole is the 17th hole, which is a par 5. At 494m and stroke 2, this can be daunting especially when playing into the sea breeze.
