# STOP 1: STELLENBOSCH

5 Nights | 2 Rounds of Golf

It's hard to imagine that within a mere 20 minutes drive from Cape Town's bustling Waterfront area, one stumbles across a leafy valley of rolling vineyards and purple hills, meandering through heritage estates and ancient brooks that seem untouched since the Cape's first settlers. Welcome to the Cape Winelands, South Africa's main wine-producing region led by the historic Stellenbosch. It is an academic and cultural hub with oak lined avenues and quaint boutiques, but most perhaps famous for its wines. Gracing many of Stellenbosch's wine farms you'll find well-preserved examples of charming Dutch homesteads which flourished during the 18th and 19th century. Most buildings have distinctive gables, thatched roofs and thick lime-washed walls. Dorp Street is a national monument and taking the time to walk around this cosy old part of Stellenbosch, with its secluded lanes, water furrows, cosmopolitan restaurants and coffee bistros, with superb views of mountain, vineyards and orchards, is an idyllic morning venture.

Located within easy driving distance from Cape Town, along the scenic Whale Coast in Overberg, sits a quiet little village known as Kleinmond. The town's name, meaning "small mouth" in Afrikaans, refers to its location at the mouth of the Bot River lagoon. It lies within the UNESCO declared Kogelberg Biosphere Reserve, which supports over 1600 species of indigenous fynbos. One might catch sight of the rare Strawberry Rain Frog, March Rose proteas and exotic birds in the wetlands of the lagoon. Kleinmond is reputed to be home to a herd of wild horses that are believed to be abandoned by a British garrison after World War II.

Traditionally a retirement village, the town becomes active by virtue of its proximity to Hermanus, the de facto land-based whale watching capital of the world. The area provides nature lovers with numerous hikes offering solitude and remarkably unspoilt stretches of wilderness with rugged kloofs, valleys and several mountain peaks. Adventure takes the form of abseiling, climbing, hiking dune surfing or river rafting. It is also home to the Arabella Golf Course, rated #1 in the Cape region.

Of historical interests in George is the Slave Tree - an ancient oak to which slaves were chained before they were auctioned to the highest bidder. A length of chain and padlock are still embedded in its trunk. George also has the largest collection of steam trains at the Railway Museum, while the Church of St Peter and St Paul is the oldest Roman Catholic Church in South Africa. George is the perfect base to explore several nearby attractions like game safari, wine estates, village markets and golf apart from a host of outdoor activities like paragliding, hang-gliding, hiking, canoeing and sailing. ## Golf Courses: 5 Rounds of Spectacular Vistas and Memorable Holes

### 🚩 DE ZALZE

📍 Stellenbosch, Winelands

👤 Par 72 | Hole 18 | 5937 m

Having hosted both the Eisenhower Trophy and the Espirito Santo Trophy in October 2006, the De Zalze Golf Club, set on the 300-hectare greater Kliene Zalze Estate, is laid out in the midst of working vineyards and orchards backed by the spectacular Stellenbosch Mountain Range. Located in the heart of the famous winelands of Stellenbosch, findly known as little Europe, the superb holes are set on rolling and undulating terrain, meandering between grape on the vine, fruit on the tree and an array of great water features.

Renowned golf course architect, Peter Matkovich, has lent his name to the Course, making most of the stunning setting while placing a premium on accuracy. The course has excellent Kikuyu fairways and large Bent Grass greens, all with the Matkovich trademark of finely manicured aprons. De Zalze offers a fine mix of parkland holes, its main defences being the water features on several of the holes. The oak-lined Blaauwklippen River winds its way through the golf estate and comes into play at various intervals.

### 🚩 STELLENBOSCH

📍 Stellenbosch, Winelands

👤 Par 72 | Hole 18 | 5922 m

Set in the heart of the stunning Cape Winelands is the exquisite Stellenbosch Golf Club, with a heritage that dates back to over a century. Sensational panoramic views are a given with the surrounds boasting scenic valleys filled with vineyards of neighbouring farms.

The beautiful tree-lined fairways are a striking feature of the Stellenbosch Golf Course, which is surrounded by mountain slopes under vine. The tree-lined fairways may appear daunting initially, because of the narrow framework, but plenty of space is available for a clever game plan. The course has a reputation for having an abundance of trees, and while this is true on many of the holes, there are many others that allow a respite from these. However, water, sloping fairways and clever bunkering are regular intrusions. The par 5 - 8th was always known to the locals as 'Snakes and Grapes' with snakes to the right in the thick bush and grapes growing in the original vineyards to the left, adding an interesting element to a regular round of golf.

### 🚩 ARABELLA

📍 Kleinmond, Overberg

👤 Par 72 | Hole 18 | 6082 m

Ranked as the 4th best course in South Africa and #1 in Western Cape, the Arabella parklands course hugs the Bot River lagoon with spectacular views across the Kogelberg mountain range. Designed by the acclaimed Peter Matkovich, this spectacular layout opened in 1999. Home to the annual Nelson Mandela Invitational Tournament since 2003, a Gary Player charity initiative, it has hosted Jack Nicklaus, Samuel L Jackson, Ronan Keating and several other celebrities. Arabella's well-balanced, flowing layout perfectly complements its tricky sand traps, clever water hazards, kikuyu fairways and dominant bent greens. The signature 8th hole is one of the most beautiful par-5's ever, while the snaking Par-4 18th on the estuary's shoreline was recently voted as the best finishing hole in South Africa. And then there's the 'Turn'- consisting of holes 3, 4 and 5 which like Augusta's Amen Corner, are considered the most challenging on the course. The best part- a par gross score on the Turn wins a complimentary round of golf!

## Golf Courses: 5 Rounds of Spectacular Vistas and Memorable Holes

### 🚩 OUBAAI

📍 George, Garden Route

👤 Par 74 | Hole 18 | 6066 m

Oubaai is golfing heaven: idyllic yet challenging and wrapped up in the most breath-taking scenery on offer along the Garden Route. Perched on the edge of the hill cliffs leading down toward the Indian Ocean and with the Outeniqua Mountain Range as a majestic backdrop, the club enjoys the best of both worlds. The fairways undulate over the hilly terrain and the grounds are in immaculate condition.

The first Ernie Els signature course in South Africa boasts a traditional links layout with veld grasses lining the lush, well bunkered, fairways and a panoramic 180-degree ocean view. The course is surprisingly long for a coastal course, and, with five par 3s and five par 5s, it makes for an exciting game, requiring your undivided focus despite the plethora of visual pleasures all around. Watch out for the sea breezes that are a regular around this high cliffside location. The course is unique in that it is challenging yet friendly and can be played and enjoyed by golfers of all abilities.

### 🚩 MOSSEL BAY

📍 Mossel Bay, Garden Route

👤 Par 72 | Hole 18 | 5940 m

One of the must play courses on the Garden Route, Mossel Bay is famous for stunning views of the Indian Ocean from every tee as well as the marvellous bird and animal life such as the springbok that sometimes roam into play, leaving you spellbound. Designed originally by Bob Grimsdell, the course layout was redesigned by Danie Obermeyer in 1999/2000 and entered the new millennium complimented by rave reviews.

The large undulating greens ensure an idyllic yet challenging round of golf, being built over a gentle landscape that provides ease of walking. The signature hole is the 17th hole, which is a par 5. At 494m and stroke 2, this can be daunting especially when playing into the sea breeze.
